A Cure For Wellness
Lockhart, an ambitious young executive, is sent by the company’s board members to a “wellness centre” in the Swiss Alps to coax their CEO, who has been seeking treatment at the spa for an extended period, to return to New York. He soon discovers that the spa’s treatments are not what they seem. When Lockhart begins to unravel its secrets, his sanity is tested as he finds himself diagnosed with the same curious illness that keeps all the spa guests from leaving in a continuous search for a cure.
