## Points Accrual

### 21. How do I calculate Enrich Points earned based on fare paid?

The base of Enrich Points is every Malaysia Ringgit MYR 1 earn 1 Enrich Points. Member will earn additional bonus points based on Enrich Tier status according to the following multiplier.

Enrich Status	Blue	Silver	Gold	Platinum
<b>Enrich Points</b>				
Base Fare + Carrier imposed charges	1.2	1.3	1.6	1.8

That means if an Enrich member spend MYR1000 on base fare and carrier-imposed surcharges, depending on member tier status upon flow, member will earn the following

Enrich Status	Blue	Silver	Gold	Platinum
<b>Enrich Points</b>	MYR1000 x 1.2 =	MYR1000 x 1.3 =	MYR1000 x =	MYR1000 x 1.8 =
	1200	1300	1600	1800

### 22. Is there any difference to Enrich Bonus Points earned based on Enrich Tier Status?

The additional bonus points based on Enrich Tier Status is included in the multiplier as added benefits:

Enrich Tier	Enrich Point Earned	Bonus Point Earned	Total Earned
Blue	100%	20%	1.2 (120%)
Silver	100%	30%	1.3 (130%)
Gold	100%	60%	1.6 (160%)
Platinum	100%	80%	1.8 (180%)

The respective tier bonus Point is included in the accrual according to the respective tier status.

Eg. Enrich Blue Member (120%)

1. Actual Enrich Points earning based on base fare plus carrier-related charges MYR1000 spend x 100% = 1000 Enrich Points
2. Bonus Points MYR1000 x 20% = 200 Bonus Points
3. Total Enrich Points earned: 1200 Enrich Points

Enrich Silver Member (130%)

1. Actual Enrich Points earning based on base fare plus carrier-related charges MYR1000 spend x 100% = 1000 Enrich Points
2. MYR1000 x 30% = 300 Bonus Points
3. Total Enrich Points earned : 1300 Enrich Points
