Sick Boy - THE CHAINSMOKERS

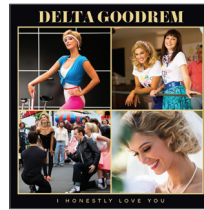

The Chainsmokers single has some of the expected EDM squelches but it's a little more varied and darker than their usual fare. It's a socially charged anthem about self-identity in today's world and standing tall in the face of what you can or cannot control.

Havoc - JOE FLIZZOW

Released in 2013 as the second album of the former member of Too Phat, *Havoc* features 14 hip-hop tracks by our local rap sensation Johan Ishak. The album features collaborations with other local artists likes Amy Search, Rossa, Ajai and DJ Biggie. Joe also performs on the track *Negaraku*, which can be found under the Malay Favourites genre in the Radio segment.
