COMEDY

**SPEECHLESS S1**

MINNIE DRIVER, JOHN ROSS BOWIE, CEDRIC YARBROUGH, MASON COOK
12 Episodes / 30 mins each / E

The Dimeo family moves to a new neighbourhood so that their son JJ, who has cerebral palsy, can attend an inclusive school. JJ navigates the day-to-day difficulties with the help of his siblings, Ray and Dylan. Meanwhile, their mother, Maya, is forced to learn how to let JJ thrive in his new environment without being too overbearing and protective.

Outspoken Malaysian rapper **Altimet**'s album *Amboi* is playing onboard this month. The album's title track of the same name came about from "observing Malaysians on social media", he says. Read on to find out what else he has to say.

You're arguably the pioneer of the rap/hip hop music scene in Malaysia. How did you get into the scene?

I wouldn't say that I am the pioneer, there were others that came before me, and a few of them inspired me to start making music, the main one being Naughtius Maximus.

Your hit single *Amboi* won Best Performance at Malaysia's Anugerah Juara Lagu Ke-32. What do you think that says about the local music industry and how it has evolved over the years?

I think our audience appreciates a good show when they see one. Because of the Internet, they are more open to newer genres of music, and the fusion of genres. Hip-hop has a rich tradition of call and response in their performances; the Malay traditional *dikir barat* has that too, so we spliced the two together, and the viewers that night responded to it and voted.

Where do you get inspiration for your lyrics?

Malaysians. I try to write songs that speak to them and for them. I'm blessed because some of these songs resonate with them. One of my mentors summed it up as *rap untuk rakyat* (rap for the people).

Who are some of your musical influences?

I'm trying to narrow it down to three: Jay Z, the late great Sudirman Haji Arshad, and Miles Davis.

What's next for Altimet?

I'd like to help other local musicians find their way in the entertainment industry. It's a challenge to balance your passion and creativity with making a living and being a professional musician. Being Asian, there's always the stigma that you can't make a good living being in the arts. I want to kill that stigma. I'm sorry if that sounds harsh but I really don't like that kind of thinking.

MAN OF THE WOODS - JUSTIN TIMBERLAKE

Timberlake's fifth studio album sees the artist experimenting with elements of R&B, funk, soul and Americana. With *Man of the Woods*, Timberlake takes a more personal approach, turning away from the norms of urban pop to reconnect with his southern roots. He also named the album after his son Silas, whose name means 'of the forest'.
